

“I will...

Imagine if each of us did something practical and personal to promote understanding and respect.

This is an **'I will...'** plan. A simple statement detailing practical steps you will take to contribute to reconciliation. Write your plans in the spaces on the other side of this card and then pin it up at your desk or keep it nearby.

For inspiration on what to write, think about ways you could connect with Aboriginal and Torres Strait Islander peoples, histories and cultures and move reconciliation from your head to your heart. How can you connect with others through reconciliation? And how can you help make your workplace and community culturally safe? Talk to your colleagues and your friends, share ideas and connect.
