

# Join Red Cross as a family and Champion Humanity together

the  
power of  
humanity

## What is Red Cross membership?

Membership is being part of a humanitarian movement, and sharing humanitarian values.

Membership is caring, people helping other people.

Membership is local action to build stronger communities.

## Why does membership matter?

As a member you:

- Live by humanitarian values.
- Learn and be a voice and advocate.
- Help Red Cross connect with your community and networks to gain support.
- Take humanitarian action in ways that work for you and your community.

## Why Red Cross?

Red Cross is unique because we are there for people in need, regardless of nationality, race, religious belief, class or political opinion. We are impartial, neutral and independent, and we respond to crises large and small, from major disasters to personal emergencies in Australia and further afield.

## What will you receive?

You will receive a membership card for your family - show this to receive up to 20% discount at any Red Cross shop, and 20% off first aid courses and kits.

We will also email you inspiring stories and activities about the people we help; updates about current humanitarian issues; and ways your family can get involved.

## How can you be involved?

- **Learn together** about our humanitarian work in Australia and around the world, and about the fundamental principles that guide this work
- **Talk with friends**, school mates and colleagues about issues people are facing and how to help
- **Raise money** for our work in fun ways – from clearing your wardrobe and donating your pre-loved clothes to our Red Cross Shops, to joining our annual Big Cake Bake
- **Connect online** by following us on social media and sharing our stories
