

# RED CROSS DISASTER RELIEF AND RECOVERY FUND

how your donation is making a difference

funds raised since July 2019: currently \$115 million

## On the ground disaster services

- \$5m for 24/7 support, including evacuations, relief centres, deploying our emergency teams, training and wellbeing
- supporting bushfires and other Australian disasters since July 2019

## Immediate bushfires support

- \$1m for families who have lost a loved one
- \$30m for emergency grants for people who have lost their homes (690 grants totalling \$6.9m given so far)

## 3 years bushfire recovery program

- \$18m to support community recovery

## The rest of the funds for bushfires

- currently \$61m for further immediate and longer term support
- will include more financial assistance and individual and community supports
- an expert advisory panel and the Red Cross are driving the allocation of the funds to meet needs
- announcements will be made as funds are allocated
- we will continue to be transparent

Up to 10 cents in each dollar will be spent on administration support costs, including tracking donations, managing grants, collecting and analysing information, reporting to donors and meeting legal, privacy and protection obligations. Interest earned will stay in the fund.
