Australian Red Cross
Emergency Preparedness & Recovery School Lesson Plans

Australian Red Cross has developed these resources to help teachers educate students from pre-school to year 12 about important emergency preparedness and recovery information.

The lesson plans have been designed to assist students to prepare for emergencies and to be aware of the feelings they may have after an emergency.

The content of the plans has been developed by teachers with advice and support from emergency services and a psychologist experienced in emergency recovery.

The preparedness and recovery resources are both split into five sections:

- Early childhood
- Years 1–3
- Years 4–6
- Years 7–9
- Years 10–12

**Register your school**
Register your school with Red Cross and we will be able to inform you of any updates to this resource and any new resources that may assist you and your students before or after an emergency. Email the following details to aftertheemergency@redcross.org.au

Name: ...............................................................................................................................................

Name of school: ...................................................................................................................................

State: ...................................................................................................................................................

Email address: ......................................................................................................................................

**Youth Resources**
Red Cross has a suite of resources available to assist children and young people prepare for and recovery from emergencies. These resources include:

- Get Ready – a children’s activity book about preparedness
- After the Emergency – children’s activity book about recovery
- After the Emergency website – for young people aged 12-25
- Mp3 playlist – available to download from the After the Emergency website

To download visit, http://redcross.org.au/emergency-resources.aspx or email aftertheemergency@redcross.org.au to order.

**Evaluation**
If you use the Red Cross Preparedness or Recovery lesson plans please consider completing the attached evaluation form and returning it to Red Cross aftertheemergency@redcross.org.au

Completing the evaluation will help Red Cross to ensure we are providing schools with appropriate and high quality emergency preparedness and recovery resources.
LESSON PLAN EVALUATION

About your class

1. What year level(s) do you teach?

2. How many students are in your class?

3. Have any of your students experienced an emergency?
   YES  NO
   If YES:
   a) How many students?
   b) What type of emergency have they experienced?

About this Resource

1. Did you use the Preparedness or the Recovery Lesson Plans? (please circle)
   Preparedness  Recovery  Both

2. Have you used any Red Cross Emergency lesson plans before? (please circle)
   a) YES – Preparedness only
   b) YES – Recovery only
