Materials

You will need:

- Suitcase template
- Travel badges
- Glue
- Scissors
- Textas or pencils

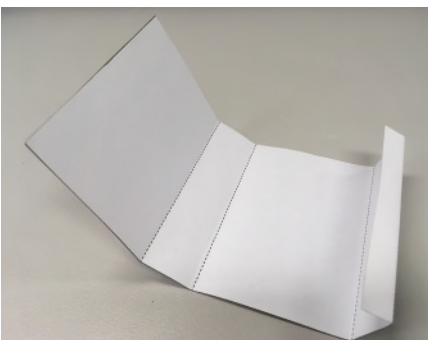

Instructions

Step 1: Making the inside

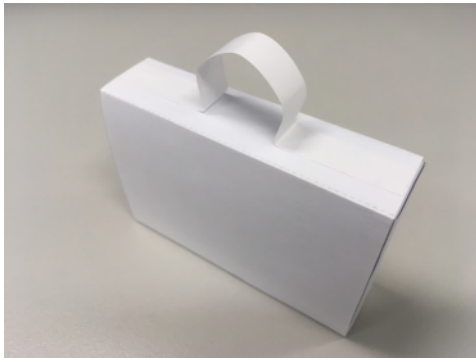

- To make the inside of the box, cut out the main shape.
- Cut all **solid** lines (don't cut the dashed lines).
- Fold the paper along all **dashed** lines towards the inside of the paper, as shown in the picture.
- Glue the side flaps down inside.

Step 2: Making the outside

- Cut out the second shape and fold the paper along the dashed lines, bending it inwards.
- Glue one end flap to the other, so that you create a sleeve.
- Once you have made both parts, you can slide the drawer into the sleeve.

Step 3: Adding the strap

- Now cut the strip for the suitcase handle.
- Fold along the dashed lines and glue down the ends on either side of the dashed lines, with the space in between curved up, like a handle.

Step 4: Decorating it

- Using textas or pencils you can draw extra details on the suitcase. You could colour the corners of the suitcase or add straps down the side.
- Now decorate the sides of the suitcase by gluing some travel badges.

Finished!

Now put your cut-out questions inside, and get ready to quiz your family and friends.

“People do not leave their homes without reason. Fleeing your country is a measure of last resort, when staying behind is no longer an option. They leave behind everything and endure huge risks because hope lies elsewhere, away from their situations of risk and vulnerability.” Elhadj As Sy, Secretary General of the International Federation of
