

**Report of the Independent Auditor on the
Australian Council for International Development Statement
to the Board Members of the Australian Red Cross Society**

The accompanying Australian Council for International Development (ACFID) Income Statement, ACFID statement of financial position, ACFID statement of cash flows and ACFID table of cash movements for designated purposes, collectively referred to as the ACFID Statement, presented on page 58 to 62 prepared by the Australian Red Cross Society, is derived from the audited general purpose financial report of the Australian Red Cross Society for the year ended 30 June 2016. We expressed an unqualified audit opinion on that financial report in our report dated 22 October 2016. The financial report and the ACFID Statement do not reflect the effects of events that occurred subsequent to the date of our report on that financial report.

The ACFID Statement does not contain all the disclosures required by the Australian Accounting Standards. Reading the ACFID Statement, therefore, is not a substitute for reading the audited financial report of the Australian Red Cross Society for the year ended 30 June 2016.

The Board Members Responsibility for the Statement

The Board Members are responsible for the preparation of the ACFID Statement in accordance with the ACFID Code of Conduct.

Auditor's Responsibility

Our responsibility is to express an opinion on the ACFID Statement based on our procedures, which were conducted in accordance with Auditing Standard ASA 810 *Engagements to Report on Summary Financial Statements*.

Opinion

In our opinion, the ACFID Statement derived from the audited financial report of the Australian Red Cross Society for the year ended 30 June 2016, is consistent in all material respects with the audited financial report, and is in accordance with the ACFID Code of Conduct.
